DEDICATION

P.V. Griffin II

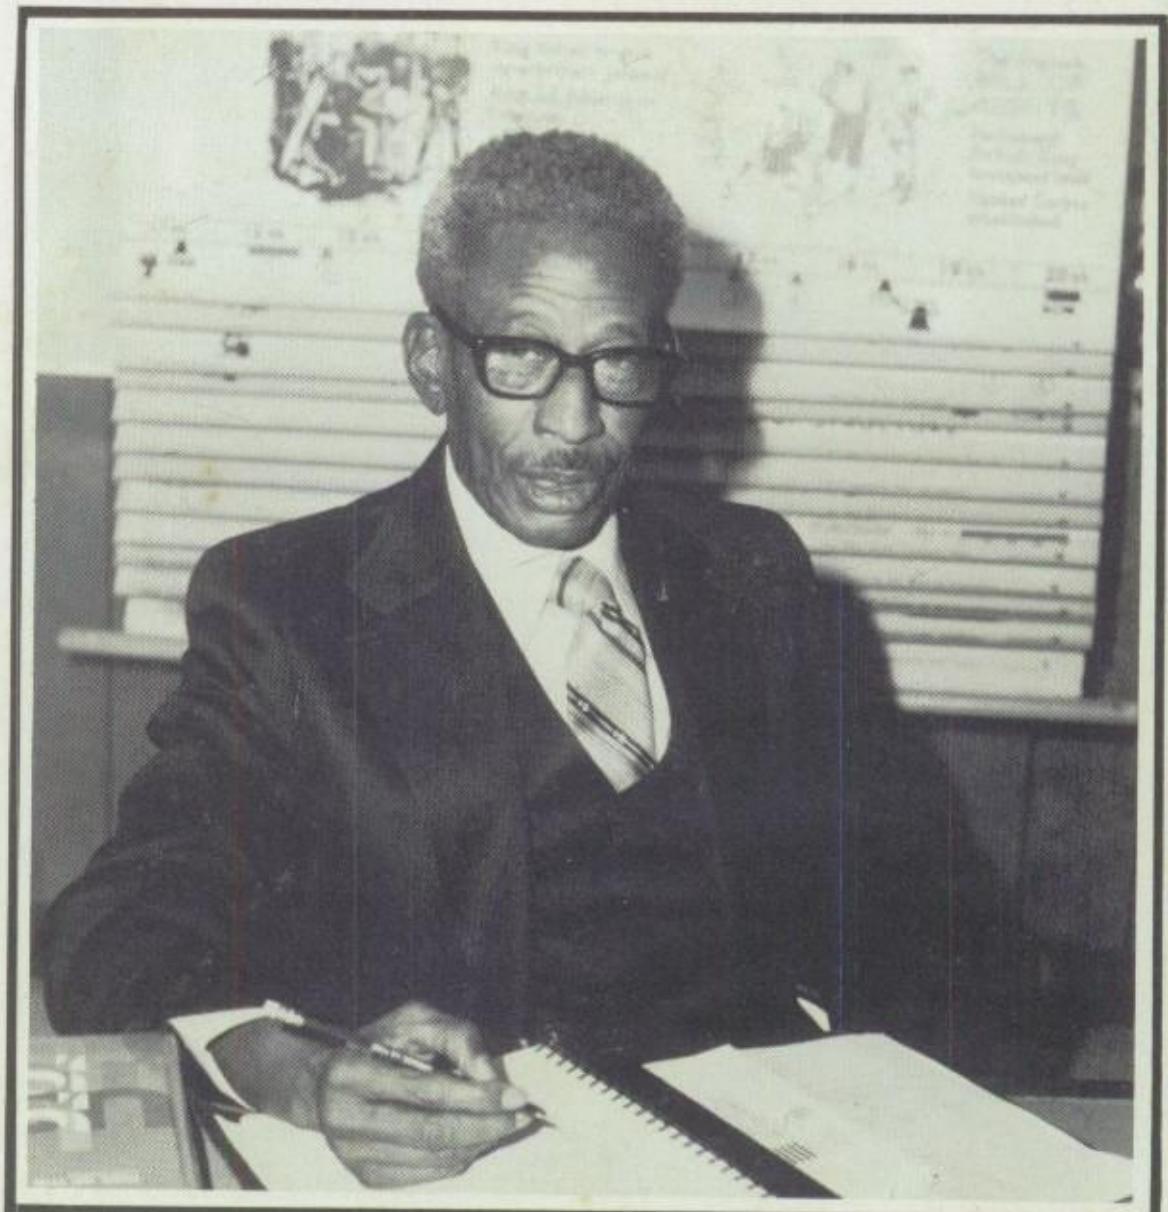

Mr. P.V. Griffin, a truly dedicated history teacher, came to Junction City as a teacher in 1969. Besides teaching Social Studies, Mr. Griffin has also been a coach here at J.C.H.S. He was educated at Junction City High School and Louisiana Tech.

Mr. Griffin's main aim in teaching is to develop in students an awareness of the cause and effect relationships which determine ones effectiveness in their life goals.

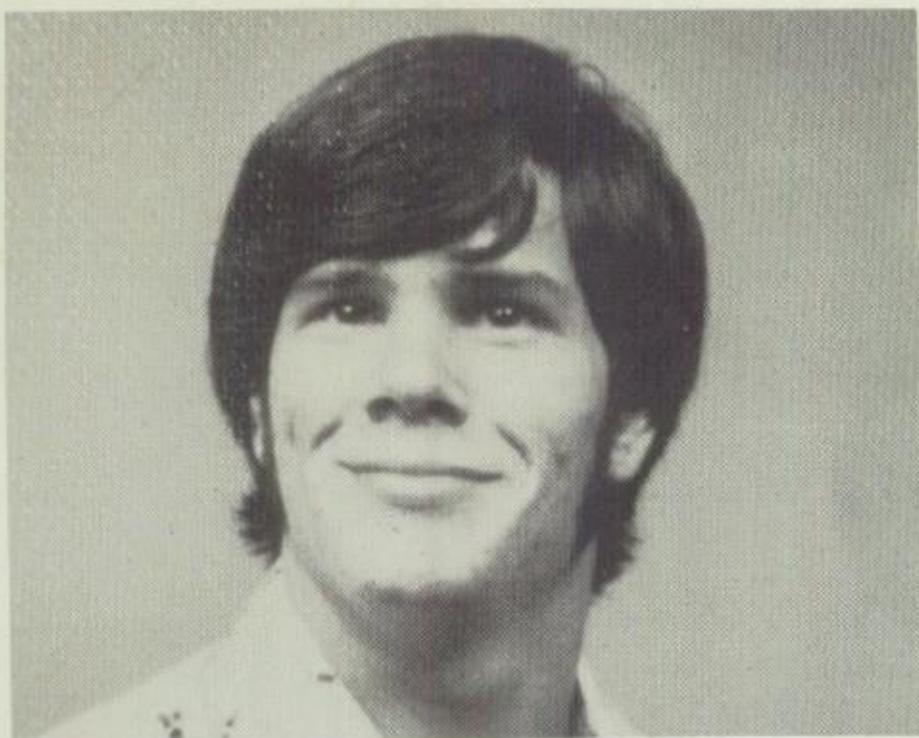

Luther W. Wilson

Mr. Luther Wilson, a teacher at JCHS for 24 years, received his education at Elliott High School in Bernice, Louisiana, Grambling State University, University of Arkansas, University of Illinois Chicago Circle, Southern University in Baton Rouge, and the University of Central Arkansas.

To Mr. Wilson, being a teacher is the most rewarding career anyone could choose. It gives him a chance to be close to young people who depend upon him to guide them and to help them formulate and achieve their specific goals in life.

In Mem

Jon I. Eish
A Former Student

Jon Fish died in a local hospital after a highway accident on June 29, 1979. Jon was a 1976 graduate of Junction City High School. He was the son of Roy C. and Rubye Barr Fish, Sr. Born on December 11, 1957, Jon was truly a friend to all of us; we'll always remember him.

Minnie Dell Glaze
A Former Teacher

Mrs. Glaze was born October 15, 1906 and died July 26, 1979. She was the wife of the late Jim Glaze. Mrs. Glaze started teaching here at Junction City in 1926 and was the Elementary Principal from 1945-1966. We all suffered a great loss as the result of her death.

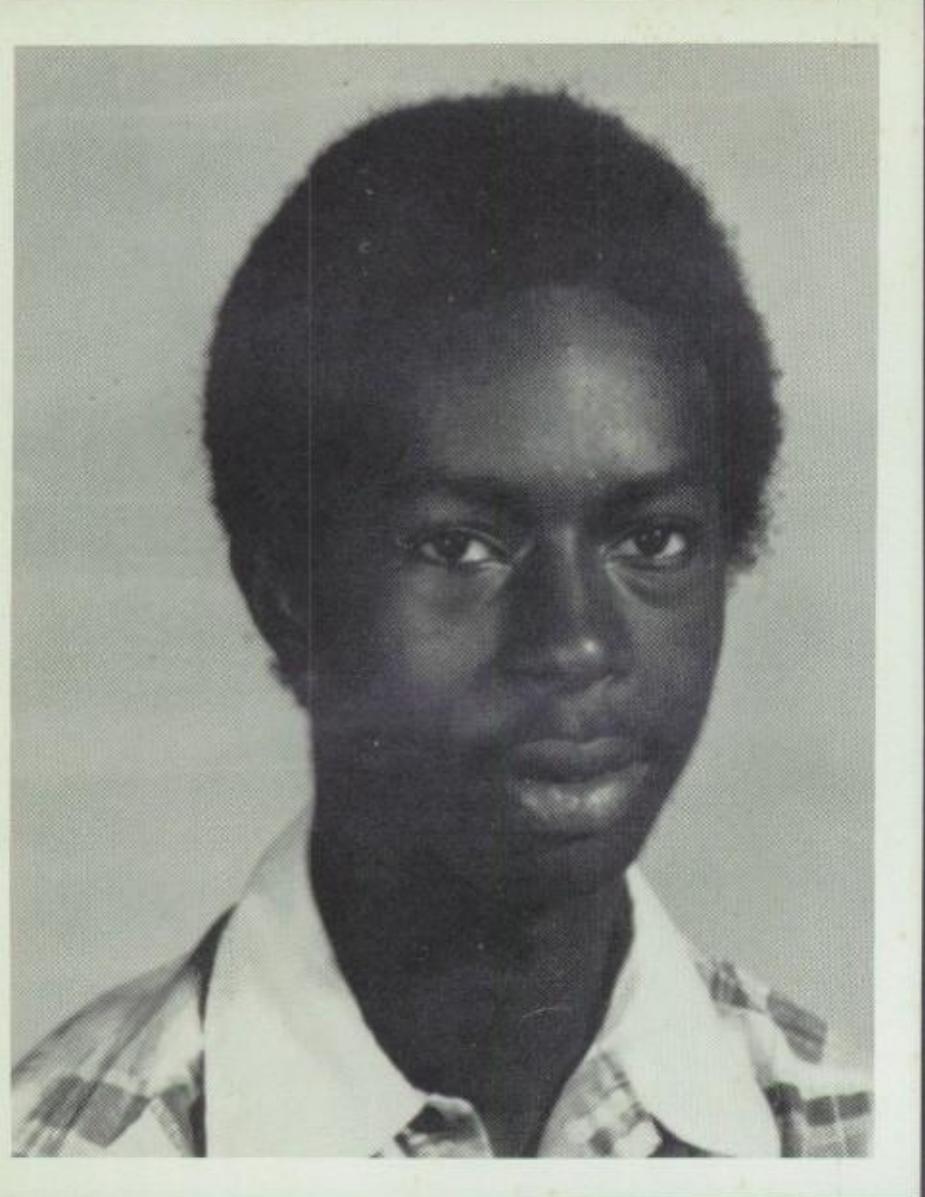

John Kelly
Sports Announcer

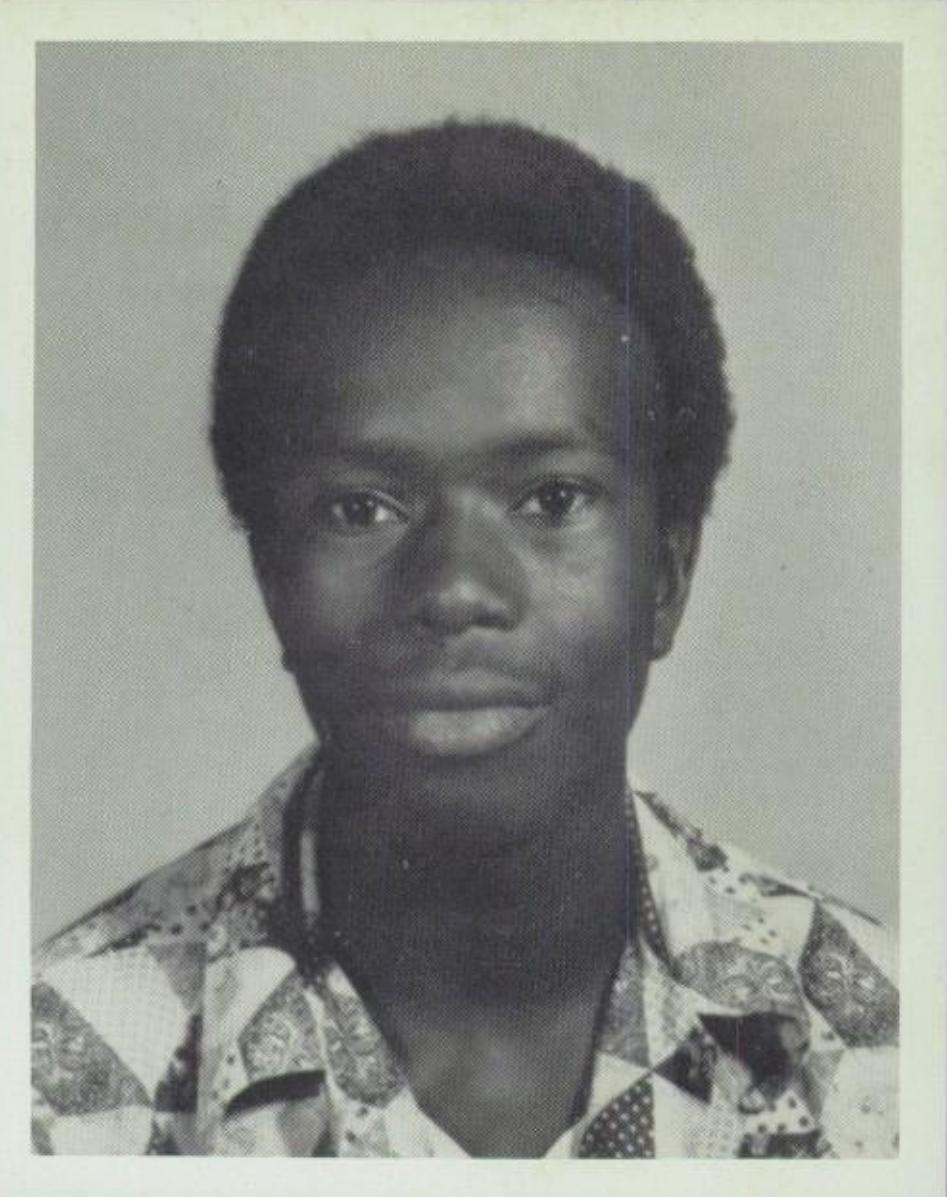

It is with great love, honor, and respect that we remember Mr. John Kelly, who died January 1, 1980. For over 30 years Mr. Kelly was the Sports Announcer at Junction City's football games. He will be missed greatly by the fans of Junction City.

Survivors of John Kelly include his wife, Elizabeth, his two children, Alvin and Martha Ann, and his five grandchildren.

Preface

The **1980 Dragon Record** is the result of the better yearbook making ideas our staff acquired at Yearbook Camp in Hot Springs, Arkansas, last summer. The **Record** is divided into two sections, **Off the Record** and **On the Record**. The section entitled **Off the Record** features candid pictures of the school year 1979-80. The **On the Record** section includes formal pictures of the people behind the events. Each section has its own table of contents on the division page. We sincerely hope that you will like this new layout and enjoy looking at it as much as we enjoyed putting it together.

. . . as Practice Proves Perfect . . .

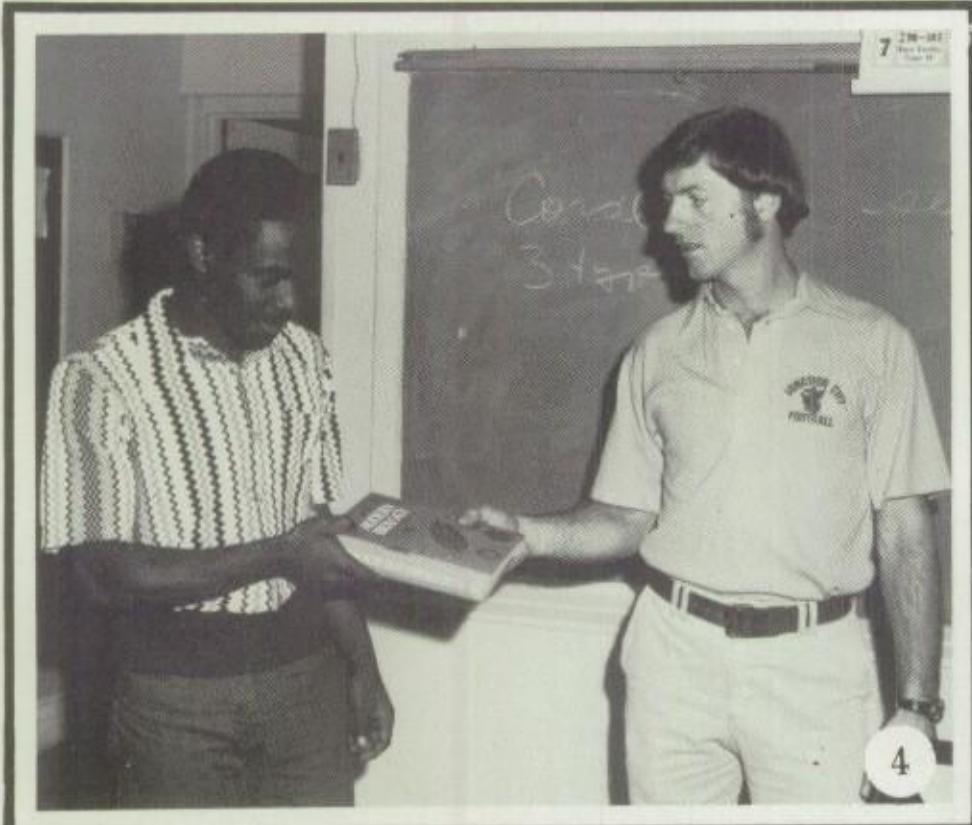

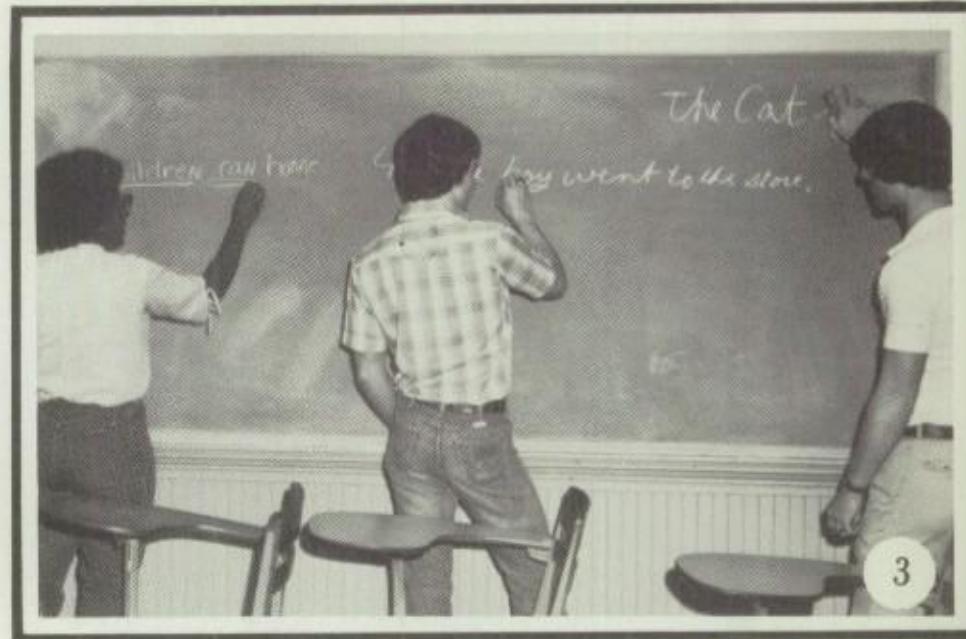

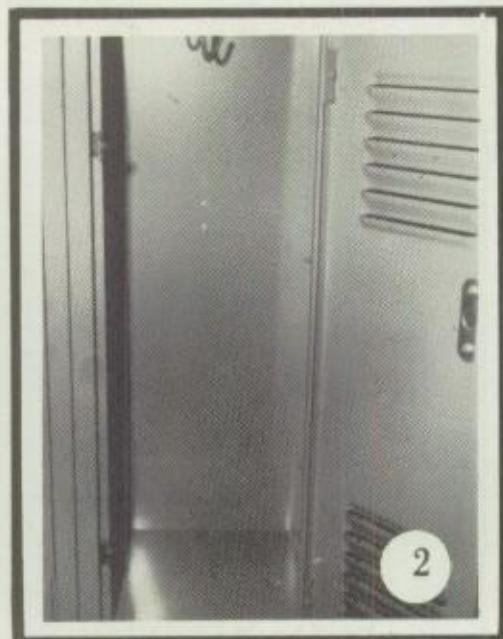

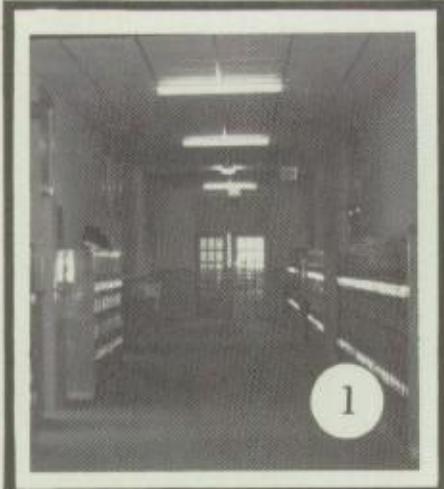

Even before the school year begins the campus is bustling with activity. All summer long students have attended one summer camp after another and now they are at the school putting their newly acquired knowledge to work.

From the football field comes a deep throated "down . . . set . . . hut"; around the Old Gym, shorts-clad cheerleaders can be seen and, of course, heard; and the brisk drum cadence of the band continually reminds the townspeople that summer is about to end.

Does practice prove perfect? As the school year progressed the answer to that question was known and all these hardworking students decided it was worth it after all.

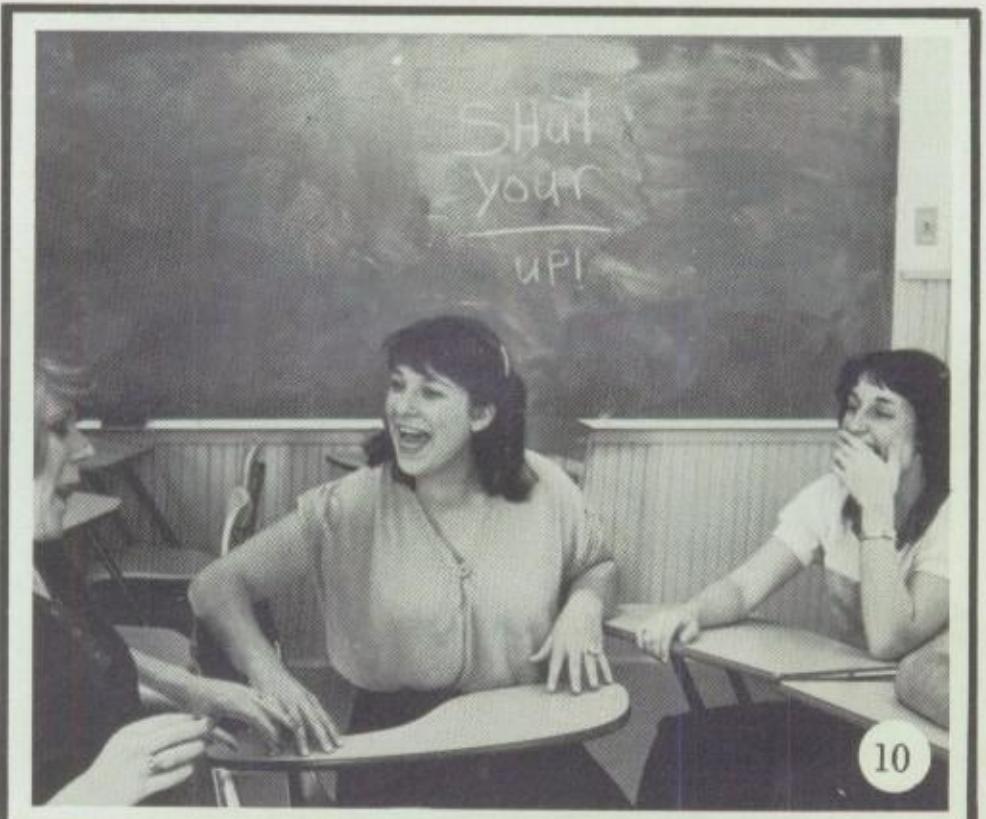

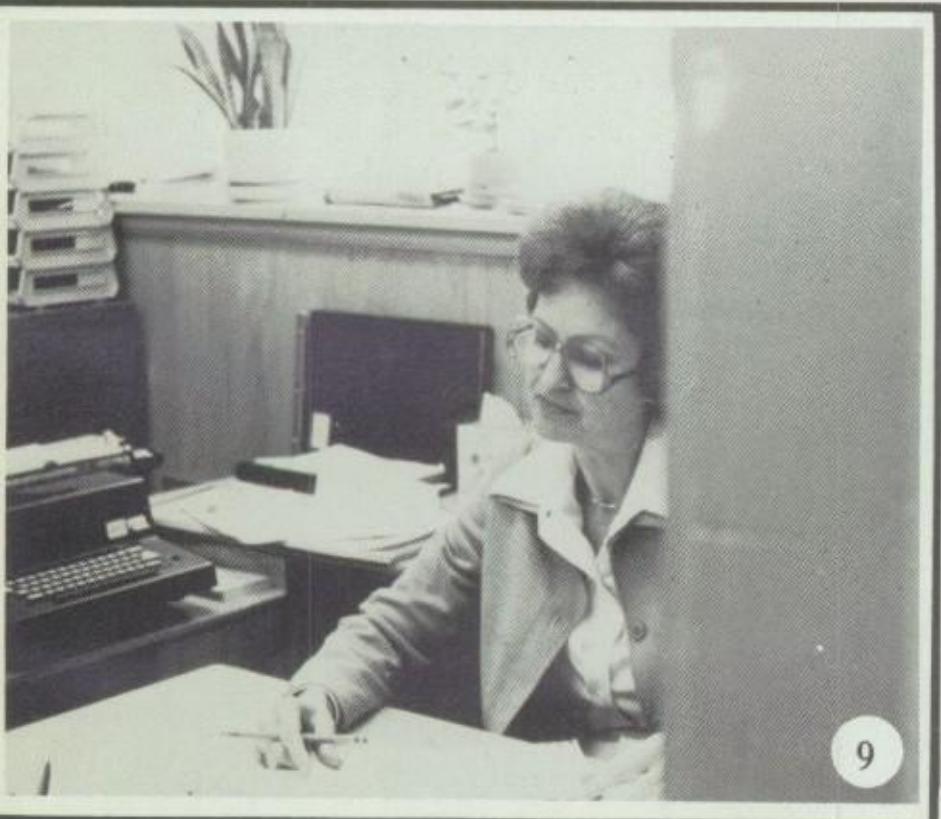

First Day Back

1. Goodbye Seniors — Hello, Freshmen.

Seniors Make It Big

Junction City High School is privileged to have many seniors that are very active in activities other than school oriented activities. The *Dragon Record* Staff would like to salute these seniors and make others aware of their achievements.

Picture #1 is of a local group of musicians known as *Rass Cobb*. *Rass Cobb* includes JCHS seniors *Sonia Brown* — percussions and *Robert Summers* — bass guitar along with their brothers, former JCHS students, *Randy Brown* — lead guitar and vocals and *Rodney Summers* — rhythm guitar. Not pictured is a fifth member of the group, *Mark Watson* — rhythm guitar and vocals. *Sonia* and *Randy* have been playing music since they were 6 and 10 years old respectively and have played with five other groups before *Rass Cobb*. After first being formed in 1978, *Rass Cobb* reformed in 1979 and added the **Summers** brothers. Recently the group cut a record (45) featuring the song, "My Record's On The Radio."

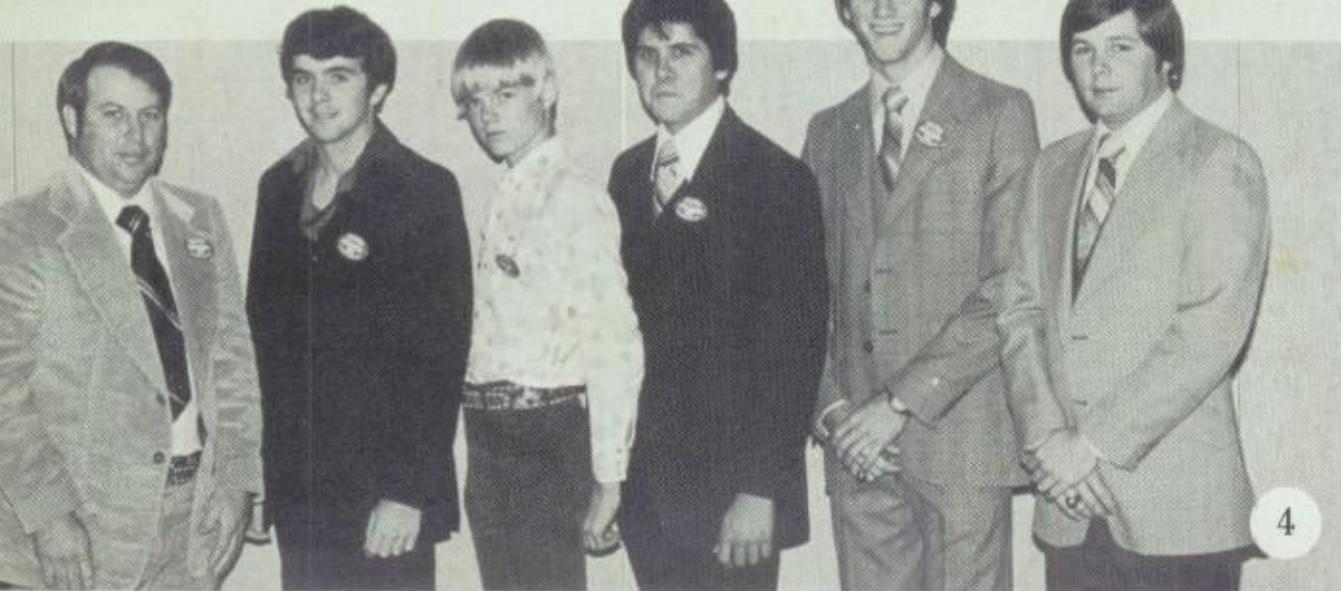

Laurie Evans is shown in picture #2. **Laurie** has been participating in rodeos for approximately ten years and has many awards for her efforts. She is the 1976, 1977, and 1978 Arkansas Cowboy's Association Champion Barrel Racer and the 1979 Reserve Champion Barrel Racer; and the 1977, 1978, and 1979 Arkansas High School Champion Barrel Racer. **Laurie** has also participated in the 1977 National High School Rodeo Finals in Helena, Montana, where she placed 8th and the 1979 National Finals in Fargo, North Dakota, where she placed 11th.

Spotlight on Achievement

NATIONAL 4-H JUDGING CONTEST

NORTH AMERICAN INTERNATIONAL LIVESTOCK EXPO

Picture #3 is of **John Dolden** and his Grand Champion Steer at the Union County Fair. **John** also won the Grand Champion Showman Award at the County Fair and the award for Grand Champion Charolais Female in the County and State Fairs. John is very active in 4-H and is a member of the *Union County Livestock Judging Team* shown in picture #4.

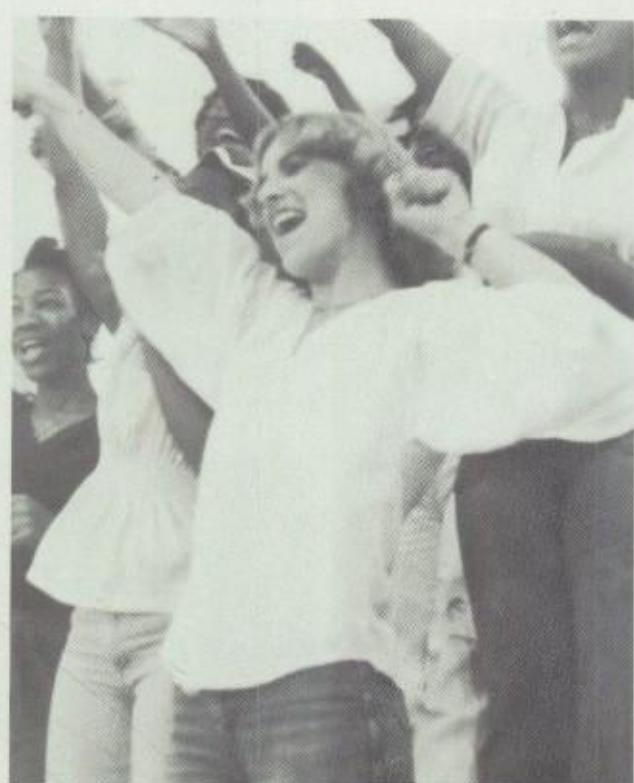

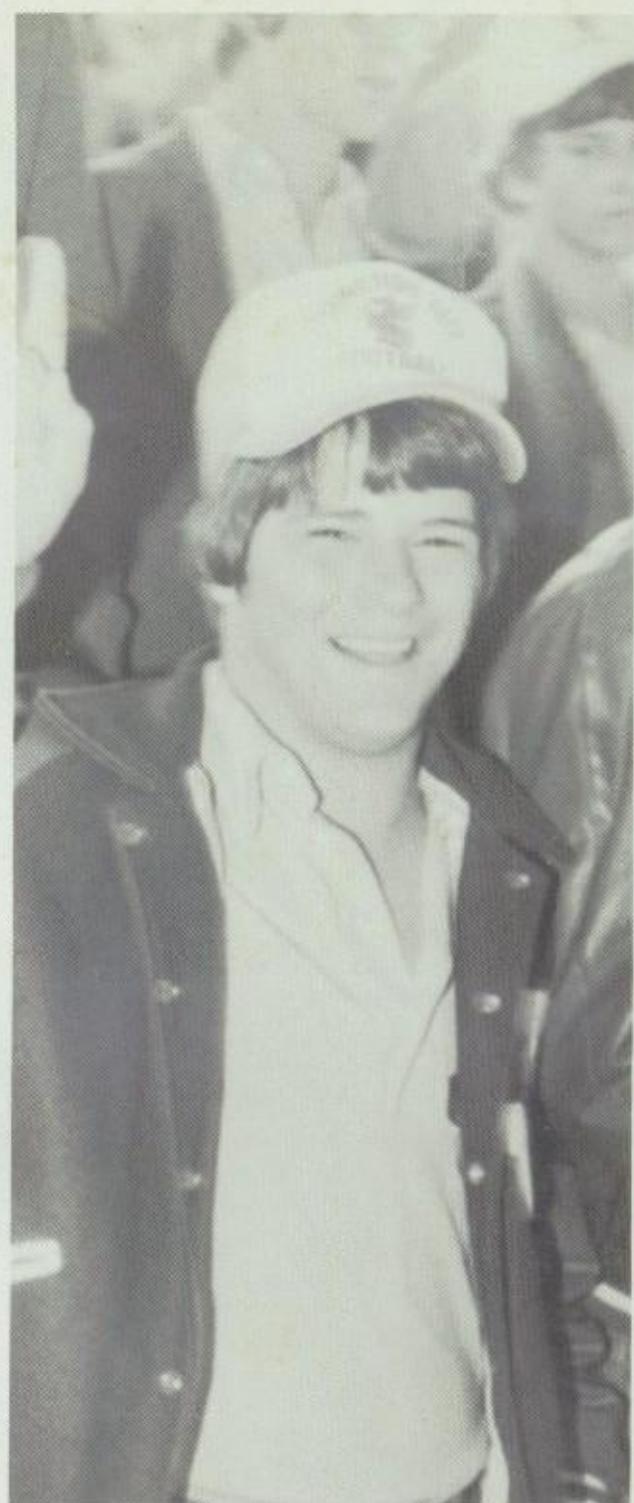

The members of the team, all students of JCHS except for the sponsors, are (l. to r.): Gerald Crossland, county 4-H agent; **Richard Thurlkill**, senior; Kenny Storey, sophomore; **Ben Owens**, senior; **John Dolden**, senior; and Joe Paul Stuart, county agricultural specialist. The team boasts of many top honors such as 1st place at the Arkansas State Fair, Southwest District Fair, Texarkana Greater Community Livestock Judging Contest, and Louisiana Tech Field Day; 2nd place at the Northwest Arkansas Polled Hereford Assoc. Judging contest and South Arkansas North Louisiana Judging Contest. Picture #5 is of **Mikki Owens**. **Mikki** is the 1979 Miss Junction City and Miss Union County Fair. She was also the first runner-up in the South Arkansas Junior Miss Pageant.

These seniors have done a good job of representing their class away from school and JCHS is proud of them.

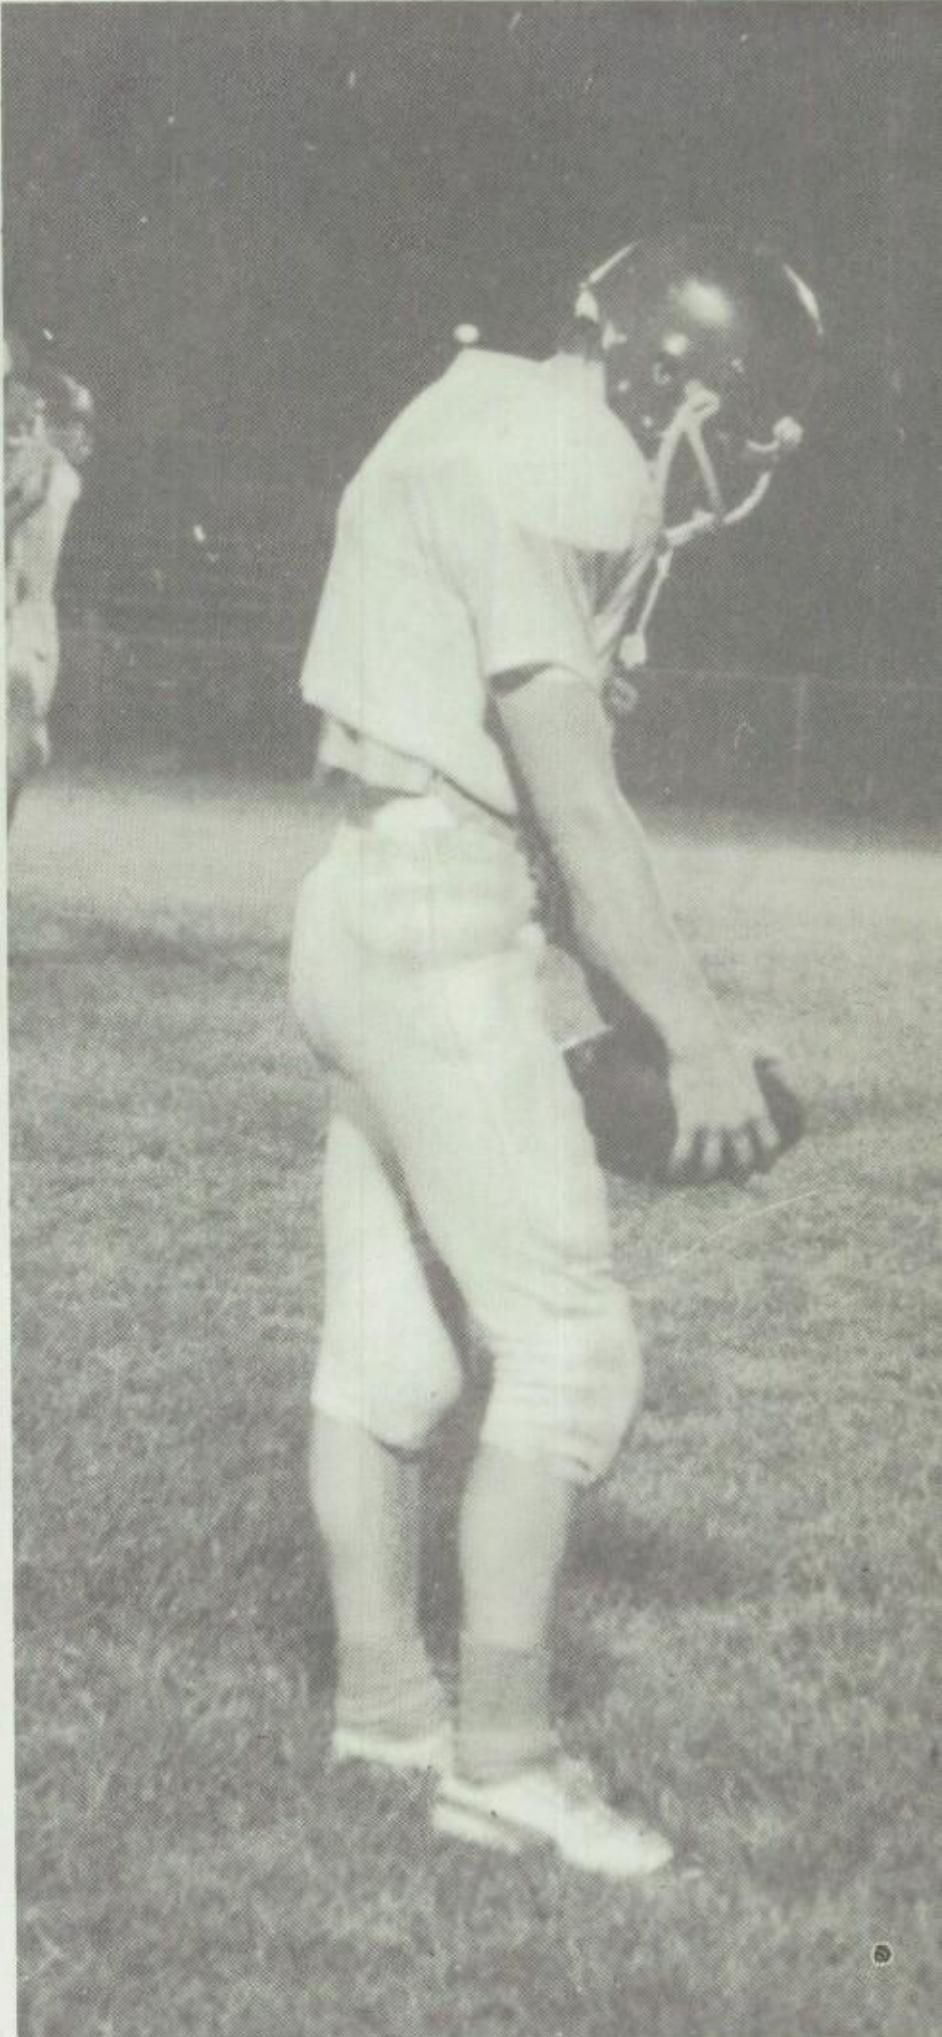

DRAGON PEP RALLIES

SHOW PEP AND PIZZAZZ!

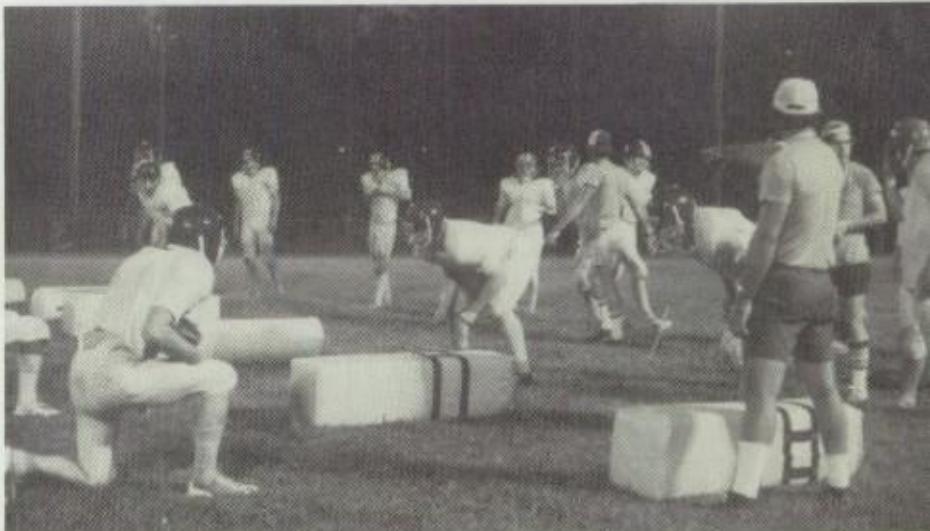

Season Begins With Hard Practices . . .

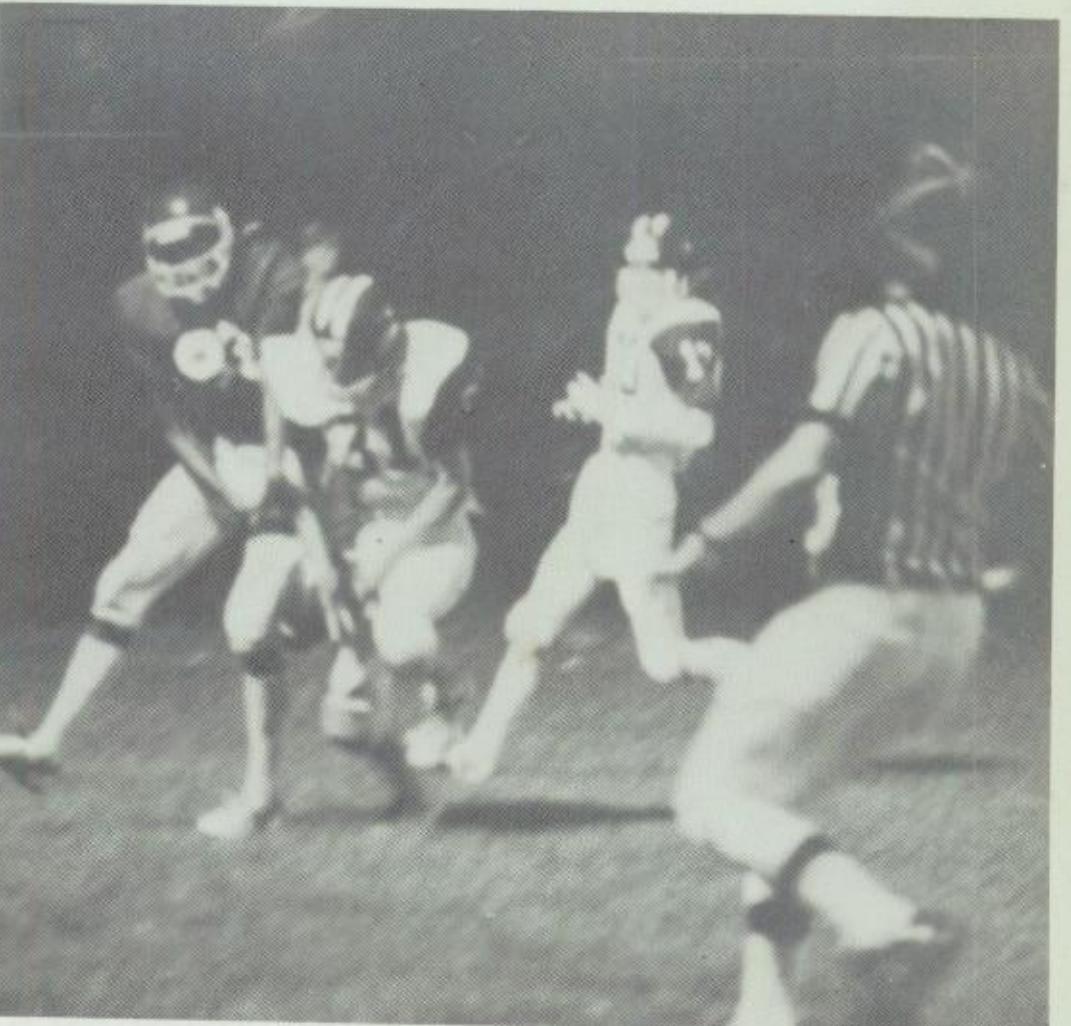

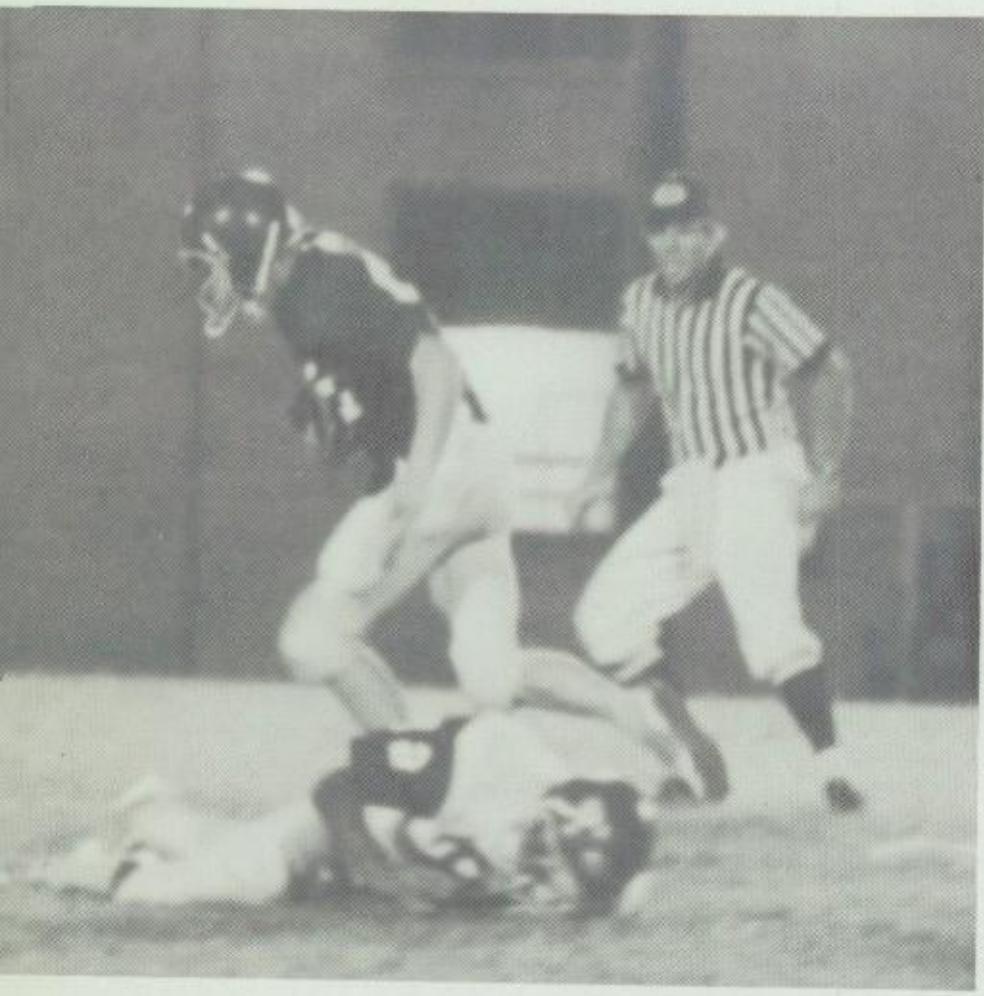

The Dragons practiced *hard*. Gatorade was drunk by the gallons and salt pills taken by the pounds. The "Dragon Mile" was run . . . and run . . . and run. They tackled, they sweated, and they thought they were going to die. Some players might have said it was unfortunate at the time, but they did not die. In the end, it was definitely worth it.

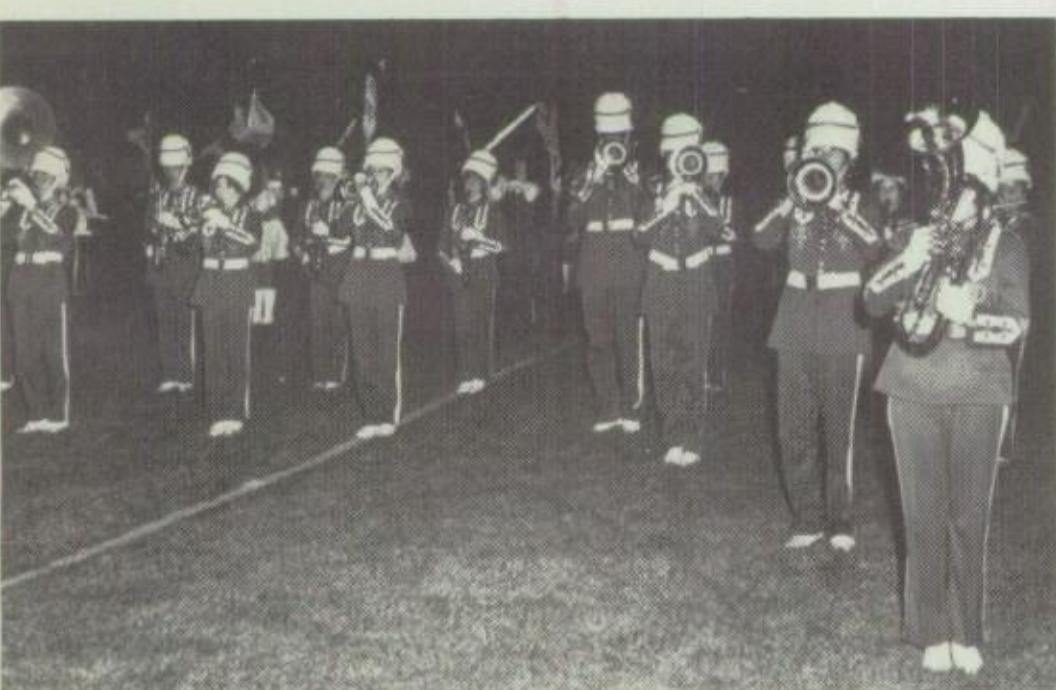

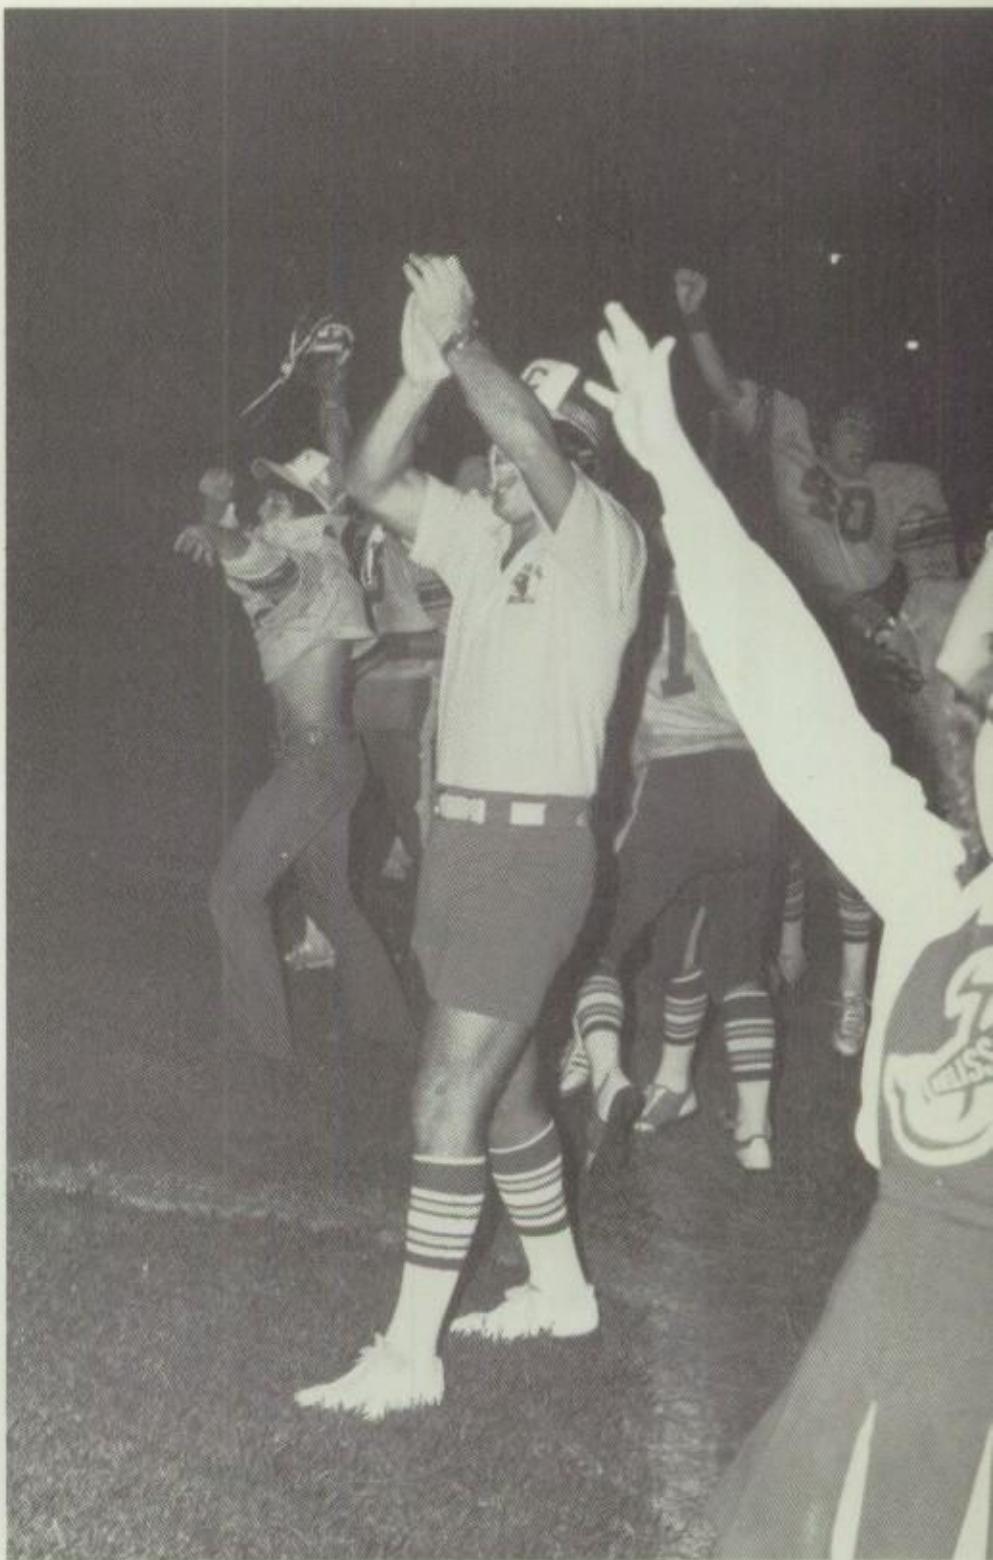

On a stormy night in August the delayed Purple-White Clash, alias the scrimmage game, was eventually played. Fans patiently waited in pouring rain to see their team's debut. The White team, which included the second string offense, was spotted 14 points for being the underdogs. With each team scoring 14 points, the White team beat the Purple with a final 28-14 victory.

The Purple-White Clash . . .

Ends With Three Shutout Games

And a Final 5-5 Record!

On August 31, the Dragons traveled to Norphlet to begin the '79 season. In new gold and purple uniforms, excitement filled the air. Having had high hopes, the Dragons were extremely disappointed by the Leopards' narrow win. Fortunately, a new defense and an improved offense put the Dragons on a winning streak. And what a streak it was! On September 14, Junction City fans saw a great game in which the Dragon defense held Cotton Valley to minus yards and zero points. Homecoming spirit ran high all week prior to the game with Foreman, and it certainly paid off. Each Dragon literally "gotta gator" before Foreman could run one complete offensive series. The Dragons beat Hermitage to post their first district victory of four district games. Although the Dragons played three final, hard-fought district games, they fell short of winning any of these. To finish the season right, Junction City was proud to have three all-district players, Jay Green, Ben Allen, and Michael Hall, on their fine team.

At the colder months of the year come along, sports at JCHS moves from outside on the field to inside on the court. The ball used changes from oblong to round and baskets replace the uprights. Shoulder pads are shed and tennis shoes are the norm.

This year's teams needed to overcome many difficulties in order to have a winning season. Girl's basketball changed from half to full court and the girls had to learn a whole new ballgame. The boy's team had only two seniors and, although many team members had played junior ball, a lack of experience was evident.

Nevertheless, the season was exciting, the records look good, and each team is looking forward to a better and brighter season next year. The potential is there and with work and preparation great things are possible.

49th Annual Dual State Tournament

Boys' Individual Scoring Record Broken

January 21 marked the beginning of a great week of basketball during the **49th Annual Dual State Tournament**. This year's tournament proved to be the best yet with thirty-four teams participating. Stephens girls beat Emerson 50-32 and Summerfield boys beat Marion 81-80 to snatch the first place trophies.

Marion's Bobby Joe Douglas, the nation's top high school scorer, was the true star of the tournament. Approximately 2500 fans, the largest crowd in Dual State history, attended the Wednesday night session to see Douglas break the Dual State single scoring record with sixty-one points. He scored 219 points in the four games the Panthers played during the tournament. For this feat he was presented a special award by principal P. H. Muse.

Even before the crowd had cleared, plans were being made for the 50th Annual Dual State Tournament. It is hoped that next year's golden anniversary of our tournament will top this year's tournament, but many say it will never be. Who knows?

Band Concerts Add Excitement

to Life at JCHS

The Senior Band has had a very exciting year. They've gone on many trips and now have a wide collection of awards and trophies. They have provided us with a Stage Band at the Christmas and Spring Follies and put on a great Spring Concert. They played a variety of music and presented various awards. Mr. Adams even received one . . . a filing cabinet given to him by the band.

Congratulations on your accomplishments this past year and best wishes for a successful year next year!!

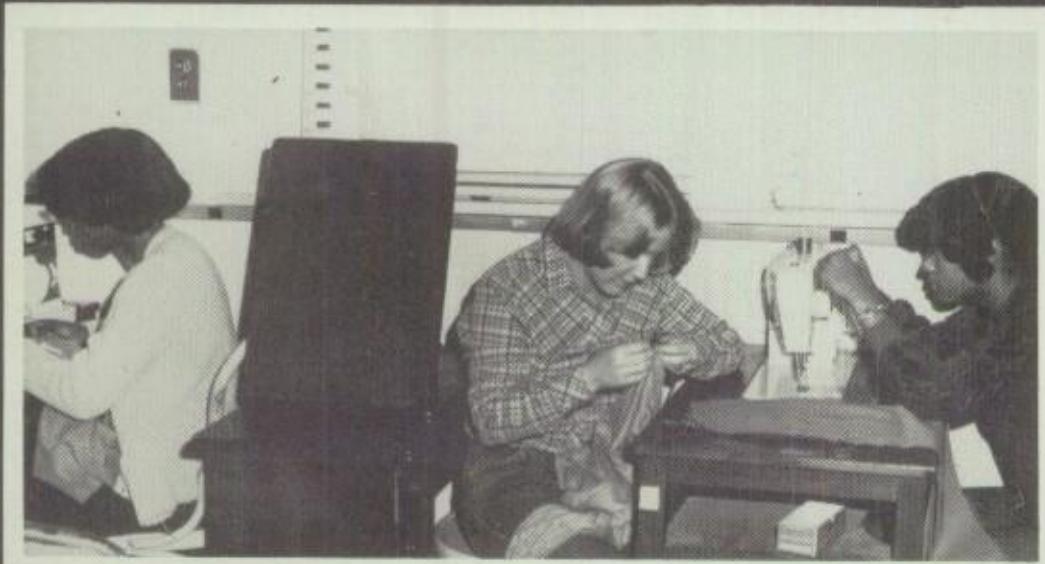

I CAN COOK — AND SEW CAN YOU!"

Years ago cooking, sewing, and the general duties of a housewife were taught to girls by their mothers. In today's liberated world, a course is taught in school to make sure a girl learns these skills.

Because of the transition made two years ago when the Freshman class decided to stay on their side of the road for one more year, Home Ec. III was canceled. Now the courses in homemaking are Home Ec. I and II and Family Living.

Every graduate of Mrs. T. or Miss Littleton's classes should make a perfect little housewife!!!

The "Ag Building!"

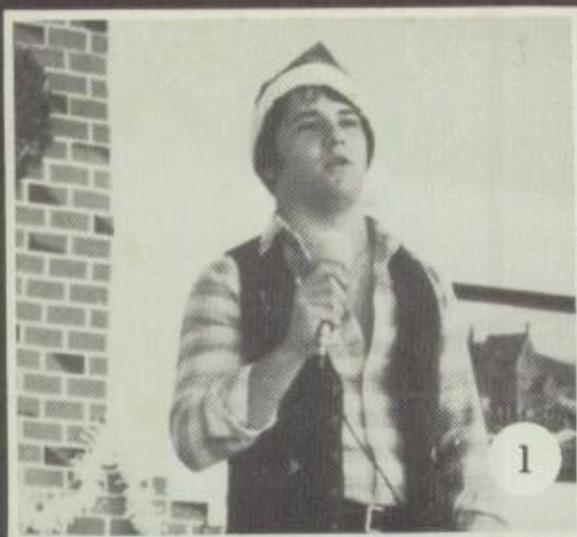

It's not uncommon to hear sounds of hammering and sawing coming from the old brick building behind the high school — "The Ag Building."

The Agriculture classes at JCHS help build the floats for the Homecoming Parade, as well as some of the other odd jobs around school. Ag boys also enjoy making gun racks and swings to carry home with them.

Most importantly, however, is the fact that Agriculture has been one of the classes most enjoyed by boys at Junction City High School for over 50 years.

Memorable Game

The Dragon baseball season began with easy wins and ended with a hard-fought victory. In mid-March, when the Dragons began play, everyone sensed that it would be a good season, but no one realized how great it would turn out to be. Having only lost one game, Coaches Bolen and Hux were optimistic about the Bi-District and District tournaments. Junction City fans followed the games faithfully and the Dragons gave them a show to watch. After winning District, the Dragons traveled to Russelville to participate in the state tournament, which took three weeks to complete because of rain delays. After two 2-0 victories, the team returned home to anxiously wait "a day dry enough to play." When they were able to return they gained revenge on Mansfield from the 1978 state tournament with a 7-1 defeat, which set the stage for the finals to be played one hour later against Oak Grove (Paragould). In what tournament officials declare the most exciting state tournament ever played in Arkansas high school finals, the Dragons defeated Oak Grove (Paragould) 6-5 in twelve long innings. To top off a terrific season, five players were selected to the all-state team and pitcher Kelly Owens was named Most Valuable Player in the tournament.

OR MARCHING BAND

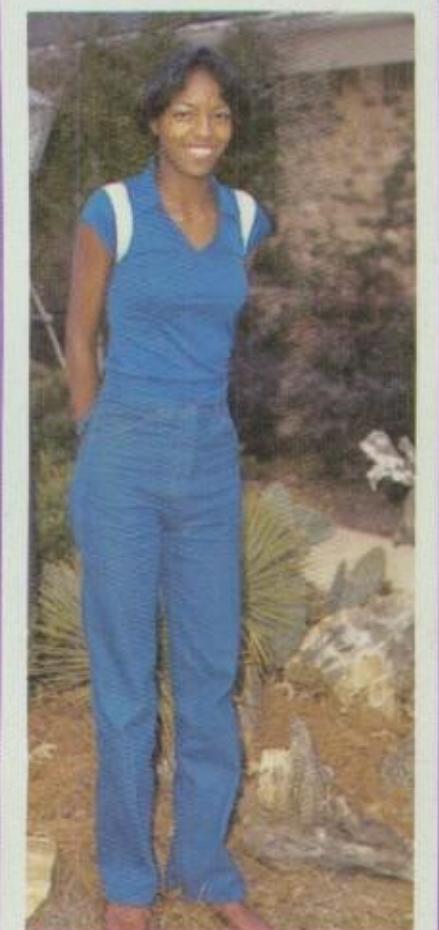

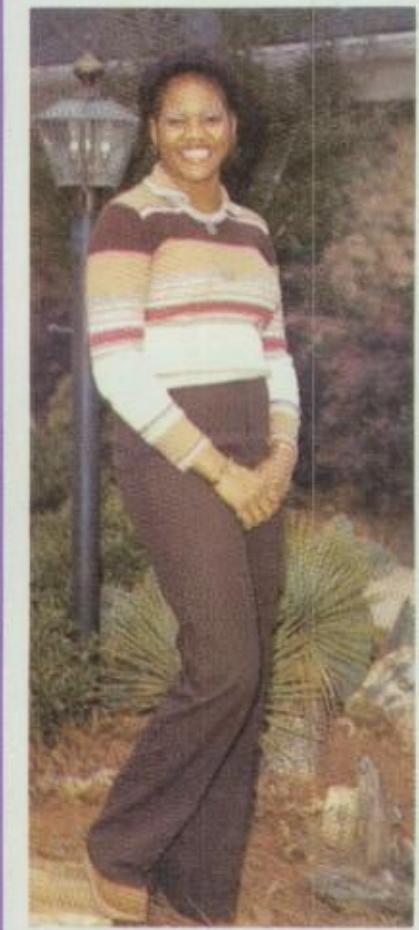

Cheerleaders . . . Doing What They Do Best!

There were nine girls that you always saw on the sidelines of a Junction City High School football game this year. They were always yelling, screaming, and cheering the team on with their pep and enthusiasm — the JCHS Cheerleaders!

Leading the squad was captain Melissa Jerry (3 years) and co-captain Brenda Hanry (4 years). The remainder of the squad included: First Row: Rebecca Gunter, 2 years; Sandy Walker, 2 years; and Sherri Owens, 2 years; Second Row: Diane Brown, 1 year; Vicki Laney, 1 year; Benita Davis, 1 year; and Treva Wilson, 1 year.

The sponsor (and 10th cheerleader) was Mrs. Joy Muse.

PEP CLUB . . . HELPING TO DO IT BETTER

They always made the chants just a little bit louder and the spirit lines just a little bit longer. The Pep Club carried out this year's theme "Never Say Die" to the fullest extent.

Mrs. Joy Muse sponsored the Pep Club again this year and Beverly Holyfield served as president for the club (pictured at left).

The Club voted Mary Ann Smith (far left) the All-Around Favorite, Octavia Barnes (middle left) the Senior Favorite, Tammy Boone (middle right) the Junior Favorite, and Verlene Modisette (far right) the Sophomore Favorite.

Pictured at top of page are: (left to right), first Row: Stephanie Branch, Octavia Barnes, Beverly Holyfield, Gwen Gibson, Linda Gibson, Penny Thurmon, Gwen Frazier, Mary Ann Smith, and Verlene Modisette. Second Row: Mary Jo Smith, Mary Lou Webster, Brenda Richards, Karen Waller, Sherri Moss, Denise Dansby, Barbara Davis, Tammy Boone, and Carolyn Haynes. Not Pictured are Emma Davis, Sherry Jones, and Sandra Turner.

Editor's Note

Putting together an annual is a very hectic experience. Money must be made, pictures must be taken, and deadlines must be met. But more importantly fourteen juniors and seniors must learn to function as a cooperative, democratic organization.

Except for a few close calls this year's annual staff handled the job of publishing the 1980 *Dragon Record* like pros. Despite a few typically human mistakes we feel that this yearbook is one of the best ever. We hope that everyone who sees it will enjoy it and keep it as a cherished momento in the years to come.

We Salute Our Sponsors —

We Couldn't Do Without Them!!

Mrs. M. Templeton
Home Economics

A familiar face around JCHS is that of Mrs. Margaret Templeton — better known as "Mrs. T." She is a graduate of Junction City High School and has taught here for "27 long years." Mrs. T. also attended Ouachita Baptist University in Denton, Texas.

Mrs. Templeton's husband, Maurice, is employed by Velsicol where he works in maintenance, especially insulation. Together they own *The Four Seasons*, a clothing store in Junction City, and are members of the First Baptist Church. They have one child, a daughter, Mrs. Janie shear. Janie is also a graduate of JCHS and after high school finished a course in fashion merchandising at Louisiana Tech and now manages *The Four Seasons* for her parents.

Some of Mrs. T.'s hobbies include sewing, working in their woodshop, interior decorating, fishing, and her grandson, Clint. About Clint, Mrs. T. said: "He is a most fulfilling experience . . . better than one of your own because you have all the fun without the responsibilities."

Mr. Bennie Adams
Band Director

Junction City football games just wouldn't seem right without the band at half-time and Spring just wouldn't be Spring without a band concert! We have Mr. James Bennie Adams, our band director, to thank for this.

Mr. Adams graduated from JCHS in 1964. He was a member of the band and played the trumpet. He graduated from Louisiana Tech in 1968 and began teaching here in 1969. He taught Speech, Journalism, and American History for 3 1/2 years, was Yearbook Advisor for 3 years, and has taught Band for 7 1/2 years.

Mr. Adams lives here in Junction City with his wife, Regina, and children Alissa and Jason. He enjoys antique cars and is a member of the Mid-America Old Time Automobile Association. Mr. Adams is also a member of the Arkansas School Band and Orchestra Association and Immanuel Baptist Church.

Congratulations on ten, successful years at Junction City High School, Mr. Adams!!

Mrs. Joy Muse
Cheerleader Sponsor

A voice you never miss if you attend very many pep rallies at Junction City High School is that of Mrs. Joy Muse, Senior Cheerleader Sponsor. Mrs. Muse was a Dragon Cheerleader herself when she attended high school here and has been sponsoring the cheerleaders and pep club for 14 years.

Mrs. Muse was Valedictorian when she graduated from Junction City High School in 1946. She attended Louisiana Tech University in Ruston and graduated with a B.A. and an M.A. She is currently the High School Librarian.

Mrs. Muse is the wife of Paul H. Muse, principal and former coach here at JCHS. She and Mr. Muse have one son, Richard C. Muse, a lawyer in St. Louis, Missouri, and one daughter, Paula Muse Johnson, a science teacher in Sulphur, Louisiana. Mr. and Mrs. Muse have three grandchildren.

Thank you Mrs. Muse for 14 great years and here's to 14 more!!

Mr. Richard McDonald
Agriculture

When a float needs to be built — call on Mr. McDonald. When the steps need to be fixed — call on Mr. McDonald. When anything needs to be repaired around here, Mr. McDonald and his Agriculture classes are the first to come to mind. More important than the jobs they do around school, though, is what they learn in "Mr. Mac's" class. Although they do work in class, the Agriculture building has a workshop that has the latest welding and carpentry equipment and Mr. McDonald is familiar with the latest techniques on how to use this equipment.

Mr. McDonald graduated from Junction City High School. He then attended Southern State College and the University of Arkansas. Mr. McDonald has taught at JCHS for 11 years; nine of those eleven have been spent teaching Agriculture.

Mr. McDonald and his wife, Diane, have two children, Tamara, age nine, and Brent, age four. Even though everyone sometimes takes Mr. McDonald's gracious cooperation for granted, his work is greatly appreciated at Junction City Schools!!

Miss A. Littleton
Family Living

"My favorite subject is Family Living. I enjoy that class because it helps students to evaluate themselves and set goals for their futures," said Miss Alice Littleton, Family Living teacher here at JCHS.

Miss Littleton graduated from Northeast Louisiana State and has taught Home Economics here for the last 10 years.

Since her brother's death she has been taking care of his two children, Rhonda and Randy, and "they have become a very important part of my life," says Miss Littleton.

Miss Littleton says the most important thing in her life is God and family — in that order. She is very active in church and Lay-Evangelism and serves as a Lay Renewal team member. Miss Littleton enjoys many hobbies such as cooking, sewing, crocheting, reading, macrame, and bass fishing. "My only problem," Miss Littleton claims, "is that I have very little time for these activities."

Mr. Dale Hux
Annual Staff

The job of the Dragon Yearbook is to portray every student of Junction City School, and no man better qualified to head that staff than Mr. Dale Hux, Dragon Yearbook Advisor. Mr. Hux is acquainted with almost every student in this school, but more importantly, he is a friend of almost every student in school.

Mr. Hux is a graduate Junction City High School. He also attended South Arkansas University in Magnolia and is a retired Air Force Senior Master Sergeant. Mr. Hux has been teaching at Junction City for five years. He has taught a variety of subjects including: Math I and II, Algebra I, American History, American Government, and Speech. He is also currently assistant baseball coach.

Mr. Hux and his wife, Joan Carter Hux, have two children, Merry Hux George and Brian Hux. Mr. and Mrs. Hux are also proud of their granddaughter, Rachel.

Mr. Hux enjoys many sports activities (especially fishing!) We know that the administration of Junction City High School is proud to have Mr. Hux as a member of their faculty, and furthermore, the student body is proud of him also!

Calhoun Heating & Air Conditioning Company

Just pick up the phone and give us a call and we'll do the rest.

We'll send a trained air conditioning specialist to your home. He'll make a thorough survey, plan a system that precisely fits your needs, give you a price and delivery date.

All with absolutely no obligation.

A free survey is just one of the many extras you get when you air condition your home the Trane way...the professional way!

Why don't you pick up that phone right now?

Now — looking back at all we found,
We let so many things just slip through our hands.
Why must we wait so long before we see
How sad the answers to those questions can be?
